Lobby Refresh

The Provident Credit Union Event Center lobby is looking fresh and newer! New flooring, paint, ceiling tiles and support for the aerobics room. We are installing Spartan-pride graphics on your way into the arena bowl during spring semester as well!

A/V Upgrades

Our meeting rooms in the Student Union - #1-6 have received much-needed A/V upgrades! Full built-in cameras and in-room mics for hybrid or Zoom sessions, higher quality projectors and easier control capabilities! Later in spring, we will start our A/V planning for lights, sound, and other A/V in the Student Union Ballroom.

SRAC Access Passes

Faculty and staff can pay to access the SRAC during spring semester and we will be offering faculty/staff discounted passes during the summer when things slow down! Please visit the front desk to sign up.

Team Building Rentals

Looking for an option for staff or student teambuilding? Our SRAC team can assist with rental rates for gym spaces, the climbing wall, and more.

Esports Center Progress

Our initial design work continues with the Esports and Gaming area to be located in the Student Union. We are targeting opening in January 2027 if all goes well – a premier university facility in all of the West!

Event Staff Expansion

Over the spring semester, we are working on adding more full-time staff to support Events in the Student Union. We hope that this will provide timely responses and better customer service to our student and campus clientele.

Steinbeck Partnership

Did you know that the Student Union partners with the Steinbeck Center on campus? After a few years during our transition, we now are embracing the opportunity engage and to keep our display updated for the recipients outside the SU Theater lobby.

Student Union Mission

As an auxiliary and 501(c)(3) on campus, the Student Union, Inc. manages the SU, Event Center, and SRAC. As a student-fee funded area, we support students and SJSU through facilities, services, and campus programs.
